

Naturally Vibrant Living

Radio with Diane Brandon

It's YOUR Life — So Live Naturally & Vibrantly!

Naturally Vibrant Living covers everything green in our world: organic food, green homes, rain gardens, environmental development, protection and products, keeping our planet healthy, cutting-edge research that takes us toward wellness naturally instead of chemically— these are just a few of the many exciting and new topics Diane investigates so that we can all enjoy living a naturally healthy and vibrant life. Get on board with the green revolution!

Diane Brandon is eclectic in her interests and unfettered in her knowledge base, having had an interest in green health and wellness, personal growth, new science, the environment, etc. for decades. She's admittedly a nerd — but with a great sense of humor, an irrepressible *joie de vivre*, and an extensive performing background.

Diane Brandon

Diane has an A. B. in French from Duke University, did Master's work in Radio, Television, Motion Pictures at University of North Carolina, and attended a language institute in Geneva, Switzerland. She is also an Integrative Intuitive Counselor and Intuition Teacher, whose work focuses on Personal Development. Her vibrant sense of humor and quick wit informs each show — all the while dispensing intriguing, incisive, and vital information, including cutting-edge research and new thinking. Diane is the author of *Invisible Blueprints*, numerous articles on personal growth topics, and the forthcoming *Intuition for Thinkers*.

Naturally Vibrant Living is focused on providing listeners with resources, information, and tools for living a green and healthy life. Its advantages are many:
